TV316 is a co-Christian net TV channel and a TV portal which broadcasts and offers Finnish Christian video content on internet for free. TV316 broadcasts and collects material and net streams offered by Christian churches and communities.

TV 316 was established the 1st of January 2008. Before that it was as a Nokia Missio Media team. The purpose of TV316 is to expand to become a genuinely co-Christian mission channel and to bring along many other Christian communities, churches and such which are involved in media.

The mission of TV316 is to spread the gospel, internet being the mission field accessible to everyone and its vision is to reach everyone.

TV316 offers its viewers three types of programmes:

- Scheduled programmes
- Video-on-Demand services
- Live net TV from different events and churches
